

WHO WE ARE

SPARETECH is a SaaS enabled Marketplace for industrial spare parts. Our customers (i.e. PORSCHE, VW) use our system to easily identify and purchase spare parts for their machines. We accomplish this by working with a data-aware modern technology stack with the aim of providing our customers with the world's first-ever information retrieval system for machine spare parts.

TRUSTED BY

PORSCHE

VOLKSWAGEN

SIEMENS

FESTO

PRODUCT OWNER (M/F/X)

YOU WILL HAVE THE OPPORTUNITY TO

- collaborate closely with our Founders, Engineers and Stakeholder to translate the business needs of our customers into detailed requirements and prototypes to implement valuable product features.
- drive our product roadmap by making key product decisions with our cross-functional team to deliver with quick time-to-market.
- devise detailed technical requirements with our Engineers for future product expansion.
- support our Founders and represent the company by visiting customers to solicit feedback on company products and services.
- develop our product team from scratch and to develop yourself further into a leadership position.

JOIN US IF YOU

- gained relevant experience to build a SaaS solution/ marketplace.
- have proven your skills in a fast-growing startup. Corporate experience is a plus.
- are a hands-on person and gained experience in managing all stages of the product life cycle.
- have strong communication skills with excellent knowledge of English and good German (C1 or higher).
- have a strong analytical mindset and are able to switch fast between customers', and the business' perspective to improve product solutions. Good knowledge of the spare part industry is a plus.
